ABOUT THE WATERSLIDE

Overlooking the ocean and parklands, the Ulverstone Waterslide is situated along Beach Road, with access from Victoria Street. The slide is approximately 60m of fiberglass chute ending in a warm pool. It is open daily during the summer school holidays and on weekends from November through to March.

The Ulverstone Waterslide is a child-friendly facility located close to Fairway Park and a safe swimming beach near the Ulverstone Surf Life Saving Club.

Fairway Park houses an array of playground equipment and facilities that make it ideal for a picnic or BBQ. Site facilities include car park, public toilets and nearby café.
