

## EMERGENCY RELIEF NORTH WEST TASMANIA

Emergency relief providers help people in times of financial crisis. Assistance includes: food, transport; chemist vouchers; part-payment of utility bills; clothing; and budgeting support.

Emergency relief providers also link people to other services, to help address the reasons for a financial crisis.

**Emergency Relief organisations provide services directly to regional communities. It is not necessary to travel into Burnie or Devonport for support.**

Please contact an organisation for advice and assistance.
