

Penguin Recreation Ground

Master Plan Project

ROUND ONE - EARLY CONCEPTS FEEDBACK FORM

Four (4) concept sketches have been prepared based on input from key stakeholders, the Think Tank Team, broader community input and social research. Feedback from the community on these first round concepts is essential to help shape the future for the Penguin Recreation Ground.

Review the four (4) concepts thoroughly and note the explanations highlighted for each of the elements. The questions below relate to each separate option and a few at the end are more general so please provide your responses in the space available. Details of what to do with the feedback form are outlined at the end of this form.

Option 1 - Penguin Piazza

What features do you like about this option? _____

What features don't you like? _____

What benefits does this option provide for Penguin and the North West Coast? _____

Option 2 - Penguin Village Green

What features do you like about this option? _____

What features don't you like? _____

What benefits does this option provide for Penguin and the North West Coast? _____

Option 3 - Penguin Pivot

What features do you like about this option? _____

What features don't you like? _____

What benefits does this option provide for Penguin and the North West Coast? _____

Option 4 - Penguin Conservatory

What features do you like about this option? _____

What features don't you like? _____

What benefits does this option provide for Penguin and the North West Coast? _____

How would you rank the options in terms of your first and next preferences? (place numbers 1 to 4 in each of boxes beside the options to indicate your preference with 1 being your first preference and 4 being your last preference)

Option 1 - Penguin Piazza

Option 2 - Penguin Village

Option 3 - Penguin Pivot

Option 4 - Penguin Conservatory

What else needs to be considered for the next round of the master plan development? _____

Do you want to be kept informed about this project? Provide your full name and email contact in the space provided and we will place you on our e-contact database:

Name: _____ Email: _____
